ICCIDA - 2026

The International Conference on Computational Intelligence and Data Analytics (ICCIDA) 2026 is the flagship conference of the Department of Information Technology, Vasavi College of Engineering, Hyderabad. This conference is planned as a Biennial Conference and it is supported by the Vasavi Academy of Education. ICCIDA 2026 aims to provide an excellent platform for exchanging knowledge with the global community of scientists, engineers, and educators. The objective of this conference is to explore cutting-edge research in two prominent areas viz., Computational Intelligence and Data Analytics, and allied research areas. It also creates a forum for young researchers to find potential research problems and prospects in their respective research areas.

On behalf of the organizing committee and the Department of Information Technology, Vasavi College of Engineering (VCE), we are pleased to invite you to participate in ICCIDA 2026 to be held on June 29-30, 2026.

CALL FOR PAPERS

Technical Areas

****not limited to**

- Machine Learning
- Computational Intelligence
- AI & ML Applications
- Computer Vision
- Pattern Recognition
- Image Processing
- Natural Language Processing
- Speech Processing
- Probabilistic and Uncertain Reasoning
- Optimization Techniques
- Deep Learning
- Deep Learning in Remote sensing
- Evolutionary Computing
- Soft Computing Techniques
- Cloud and Grid Computing
- Quantum Computing
- Data Analytics
- Data Structures & Algorithms
- Data Mining & Applications
- Data Provenance, Workflows, Scientific Data Management
- Big Data Analytics
- Knowledge-Based Systems
- Information Security
- Information Retrieval and Integration
- Internet of Things
- Smart Living Technology
- Intelligent Networks

Important Dates

- Paper Submission opens: Dec 15, 2025
- Paper Submission Deadline: Feb 15, 2026
- Notification of Acceptance: April 15, 2026

- Registration Deadline: April 30, 2026
- Final Camera Ready Submission: April 30, 2026

Publication and Indexing

Selected papers based on original research contributions will be published in the proceedings and possible indexing with SCOPUS.

About the Department

The IT department was established in the year 2000. It offers a 4-year undergraduate program, B.E. in Information Technology, with an annual intake of 180 students. This program is accredited by the National Board of Accreditation under TIER-I. The program ensures that our students effectively meet the highest benchmarks of competence required by the industry. Since 2020, the department has also been offering the B.E. IT Honours degree with Artificial Intelligence and Machine Learning (AI&ML). The students of our department have been consistently selected by leading multinational companies, including Google, Microsoft, Amazon, Uber, ServiceNow, Cisco, Oracle, Pegasystems, and TCS, during campus recruitment drives.

Vision:

- To be a center of excellence in the emerging areas of Information Technology.

Mission:

- Provide a comprehensive learning experience on the latest technologies and applications.
- Equip the stakeholders with the latest technical knowledge and leadership skills with collaboration to become competent professionals.
- Motivate innovation and contribute to societal issues with human values and professional ethics.
